

Gilbert®

1999GT *Classic Flying Venus™*

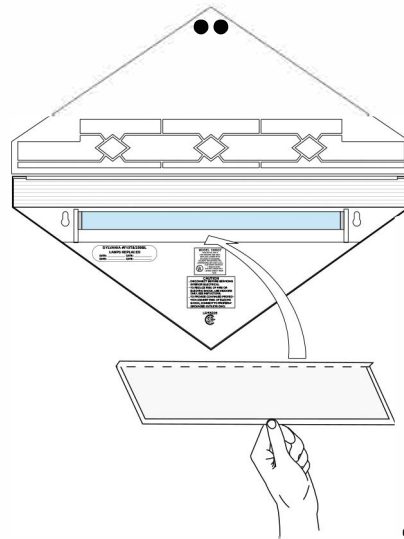

The original, "No-Wall-Fade" design is shown here, in antique brass, customer decorated with ivy. Closed top design, a feature common to all Gilbert® wall sconce flytraps, allows customers to decorate their traps as imagination allows and reason dictates.

Classic 1999GT Features: Two 15 watt Gilbert® F20T12BL350 insect attractant lamps. No glueboard bending required. Dimensions: 24-1/2" x 9-1/2"H. Depth slopes from 6-1/8" at top to 1-5/8" at bottom point. Installation: Mount bottom point at least 6' 4" high in halls, corridors, walks, passageways, or isles. See ADA rules: www.gilbertinc.com/ada.htm

Choose decorative **power cord (6 ft., 115v grounded) or hard-wire version**. We highly recommend ordering the optional hard-wire version for the aesthetic, cordless look. Universal and keyhole mounting slots provided on all versions.

All Flying Venus™ flytraps are available in four beautiful finishes: **Polished Brass, Antique Brass, Textured Black or Textured White, vinyl-coated aluminum.**

The 1999GT
